WHAT PERSONAL DATA WE COLLECT AND WHY WE COLLECT IT

We may collect data for the following purposes

- Analytics
- Contacting the User
- Displaying content from external platforms
- Interaction with external social networks and platforms

Types of Personal Data that this Website collects, by itself or through third parties, are: Cookies, Usage Data, name and email address.

Full details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using this Website.

Any use of Cookies – or of other tracking tools – by this Website or by the owners of third-party services used by this Website serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document.

ANALYTICS

When a User visits this Website we use a third-party service, Google Analytics, to collect standard internet log information and details of visitor behaviour patterns. We do this to find out things such as the number of visitors to the various parts of this Website.

This information is only processed in a way which does not identify anyone. We do not make any attempt to find out the identities of those visiting our website. We will not associate any data gathered from this site with any personally identifying information from any source unless you explicitly submit that information via the form on the Contact page.

CONTACTING THE USER

When a User completes the Contact form, they supply their name, phone number and email address to enable us to reply to enquiries.

These enquiries are transmitted via email, We may keep a record of that correspondence but will only use the data with regards to the specific enquiry, after which the email(s) is/are either deleted or processed and stored in accordance with the Data Protection act 2018, the UK's implementation of the General Data Protection Regulation (GDPR).

This Website will not share your details to any other companies without your permission.

Please be aware that you have a responsibility to ensure that any email you send to us is within the confines of the law.

EMBEDDED CONTENT FROM OTHER WEBSITES

This type of service allows you to view content hosted on external platforms directly from the pages of this Website and interact with them. This type of service might still collect web traffic data for the pages where the service is installed, even when Users do not use it.

This Website contains embedded content from [YouTube.com](https://www.youtube.com)

Embedded content from other websites behaves in the same way as if the User has visited the other website.

These websites may collect data about you, use cookies, embed additional third-party tracking, and monitor your interaction with that embedded content, including tracking your interaction with the embedded content if you have an account and are logged in to that website.
